

International co-operation – a key driver for deployment of CCS

Greetings from Minister of Petroleum and Energy, Tina Bru

Greetings from Dr. Jennifer Wilcox, Acting Assistant Secretary for Fossil Energy and Carbon Management

The Longship session

Welcome from moderator, Kristoffer Robin Haug

About «Longship»

Roy Vardheim, CEO of Gassnova

The Northern Lights Project

Børre Jacobsen, Managing Director of Northern Lights

Brevik Carbon Capture Project

Director Sustainability and alternative fuels in HeidelbergCement Per Brevik

Fortum Oslo Varme's carbon capture and storage project

CCS director at Fortum Oslo Varme Jannicke Bjerkås

Panel session:

Head of the CCUS Unit at the IEA, Samantha McCulloch

Giv Brantenberg, CEO of Heidelberg Northern Europe

Torbjörg Klara Fossum, VP Equinor

Dr. Fatemeh Rezazadeh, Director, Global CO₂ Solutions – Europe

The ACT session

Moderator introduces what this section is about

Short introduction and brief update/status - who we are and what we do

Ragnhild Rønneberg, ACT/RCN

Panel session

USA/DOE: Mark Ackiewicz (DOE)

Netherlands/MINEZ/RVO: Joëlle Rekers (MINEZ)

Norway/RCN: Rune Volla (RCN)

Romania/UEFISCDI: Nicoleta Dumitrache (UEFISCDI)

India/DST: Dr. Neelima Alam (DST)

UK/BEIS: Hannah Lord (BEIS)

Germany/PtJ: Heiko Gerhauser

Provide a couple of minutes with statements/view about the CCUS-initiatives in EC and the role of ACT in this context.

Dr. Vassilios Kauguionas, EC

ALIGN-CCUS, Peter van Os

ALIGN-CCUS (led by TNO, NL, **capture technologies, clusters and whole CCUS chain**)

ELEGANCY, Svend T. Munkejord

ELEGANCY (led by Sintef, Norway, **CCS and hydrogen production**)

PrISMa, Dr. Susana Garcia Lopez

Prisma (led by Harriet Watt, UK, **Molecular science and process engineering**)

SUCCEED, Professor Sevket Durucan

SUCCEED (led by Imperial college, UK)

Closing remarks by moderator
